SECURITY POLICE - SECRET SECURITY CLEARANCE

Five years experience working in security and safety in the United States Marine Corps. Specialized training in providing reconnaissance and raid skills support. Professionally trained in analyzing and assessing information and situations, planning strategies, leading teams of subordinates towards the accomplishment of goals and objectives, and organizing paperwork and extracting pertinent data. Knowledgeable of the methods and techniques used to provide security and safety in various environments. Ability to lead and train others in the use and safety of firearms. Excellent written and oral communication skills utilized in conversing with personnel from multiple professional levels.

EXPERIENCE

Sergeant / Team Leader, US Marine Corps, Camp Jejune, NC 2001 . Present
Provided amphibious, long range, small unit, ground reconnaissance and raid skills to support the Marine Air-Ground Task Force. Exhibited basic infantry skills, and was in charge of highly refined scouting and patrolling skills. Possessed advanced skills in assault weaponry, breaching demolitions, and close quarter battle and raid techniques.

- Served as Sergeant, and team leader of a five man reconnaissance team.
- Prepared and issued warning and mission orders, conducted rehearsals and inspections, and planned for the insertion and extraction of the team. Successfully completed over 40 combat operations in support of Operation Iraqi Freedom.
- Employed organic reconnaissance team weapons, communications equipment, and other signal equipment.
- Utilized foreign weapons and equipment and the employment of supporting arms and intelligence-gathering equipment.

Accomplishments:

- Located multiple High Value Targets (HVTs), two highly improvised explosive devices (IEDs), two 120mm mortar systems primed for launch, and numerous insurgent caches containing hundreds of pounds of ordnance.
- Planned and implemented pre-deployment training plan, which enabled my team to accomplish all 1st Marine Divisions pre-deployment and all USMC annual training requirements.
- Participated in the location and destruction of insurgent forces in direct combat during Operation Phantom Fury.
- Organized and executed combat patrols that led to the uncovering of hundreds of insurgent cached weapons and the detention of more than 20 Medium and High Value Targets.
- Graduated Marine Scout Sniper Course and Amphibious Reconnaissance Course, and passed Survival Evasion Resistance Escape Course, and Pre-Ranger Course.

EDUCATION

Bachelor in Science, Earth Systems and Science Policy, California State University, Monterey Bay, CA
